## PCCA VOD WEBSITE OVERVIEW

When you login to the PCCA VOD website, you first will notice five different panels. Let's review each one:

### Videos

This panel shows you all of the videos available for you to watch. Click on the name of the video you would like to view. *Note: If there is a plus sign (+) next to the name, you will need to click the symbol to see all of the contents for that category.* As soon as you click the name of a video, the Now Viewing section changes to show the information about your chosen video. While in the Now Viewing section, click the blue play button.

The screenshot shows the PCCA VOD website interface. At the top left is the PCCA logo. A search bar is located in the top right corner. The main content area is divided into several panels:

- Videos:** A list of video categories including Compounding Techniques (0/63), Equipment Demonstrations (0/27), Trailers (0/39), Tech Talk (0/8), Featured Product of the Quarter Webinar (5), My Purchased Content (0/2), PCCA News (3), Marketing & Sales Power Hour (14), Wellness Works (0/11), and More Videos (0/1).
- Now Viewing:** A central panel titled "We're in your CORNER" with a welcome message and a play button.
- Most Popular Viewed:** A panel showing the most popular videos, such as "Content Mill Training - 35-4250" and "Safety in the Compounding Pharmacy".
- Links:** A panel on the right side with various links like "PCCA Members Only Website", "Help/Email Us", "PCCA Rxchange", "PCCA's Facebook Page", "Follow us on Twitter", "PCCA's YouTube Channel", "PK Software", "Eagle Analytical Services", "Find a Compounder", "PCAB", "IACP", "Send us your Feedback", "No Video? Download Microsoft Silverlight", and "FDA Drug Shortages".
- Recently Viewed:** A panel showing the most recently watched videos, including "PCCA News - Episode 1" and "PCCA Advocacy Efforts".

### Search/Advanced Search

One other feature of the VoD website is the search bar in the top right corner of the screen. If you are having trouble finding a video, type in what you are looking for here.

### Links

On the right-hand side of the screen, there is a Links panel full of different websites to help you keep up with the latest in compounding. There is also a Help link you can click to e-mail us with any problems you might be experiencing.

### Recently Viewed

The Recently Viewed panel is a quick reference for you to see the latest videos you have watched.

### Log Out

When you are finished viewing the VOD website, scroll down to the bottom of the site and click Log Out.

## WATCHING A VIDEO

Your browser will open a new window to display your video and its attached media.

- 1 Here you can decide whether the slides or the video has priority by hitting the Swap Video & Slide button.
- 2 You also can click the Zoom Video or Zoom Slide button to view the media in a larger screen.
- 3 By clicking the Thumbnails button, you can view each of the slides in the presentation. When you choose a slide, it automatically will take you to the part of the presentation where the slide is discussed.
- 4 Topics button allows you to choose a bookmark and jump to a specific chapter of the video to watch.

In the bottom right of the window you have additional buttons:

- 5 Info button gives you a brief description of the video.
- 6 Resources button is where you will find any available attachments to download and links related to the presentation.
- 7 E-mail button provides a quick link for you to send any related or technical questions you might have.

The screenshot shows a video player interface. The video is titled "Great Teams Begin with Great Hires" by Kalinna Keys, MBA. The video is currently playing a slide titled "Job Descriptions". The slide content includes:

- Purpose**
  - The job description communicates the overview of the position, the essential responsibilities and the qualifications.
- Pluses**
  - Provides concrete information for all in reference to responsibilities not expectations, shows details and information in order to reduce the "I didn't know syndrome" and can reduce turnover

The video player controls at the bottom show a progress bar at 00:02:58 of 01:10:38, a "Learning Objectives" button, and a set of navigation buttons (4, 1, 2, 3, 7, 6, 5).
