

# Pharmacy Student Boot Camp

Want more compounding?  
Visit [bit.ly/PCCA-Institute](http://bit.ly/PCCA-Institute).

**DESIGNED FOR** pharmacy students interested in reviewing and expanding their knowledge of compounding.

## COURSE DESCRIPTION

PCCA Institute's two-day, on-site Boot Camp introduces students to unique dosage forms, basic compounding techniques, regulatory updates, and quality and safety aspects used by contemporary compounding pharmacists. Students are enlightened to the reality and feasibility of opening their own compounding pharmacy and inspired to think of compounding as a viable, rewarding and fulfilling career pathway.

Boot Camp students will make the following compounded dosage forms:

- Carbomer gel
- Methocel gel
- Foam cleanser
- PLO gel
- Lip balm
- Lollipops
- Rectal suppositories
- Troches
- Oral suspension
- Capsules (using the Jaansun<sup>®</sup> Capsule Machine)

Boot camp grads are eligible to complete PCCA Institute's Advanced and Veterinary Compounding Lab courses.

**Course Fees**  
\$350.00 USD

**EARLY BIRD PRICING!**  
Register by September 30  
and save \$25.

"PCCA Student Boot Camp was a very informative and exciting two days. I would recommend this course to another student, especially if they have not thought about compounding as a career choice in pharmacy."

Mohamad Shirali, PharmD Candidate 2019

## COURSE INSTRUCTORS

**Bindhu Batra, PharmD, RPh**, started at PCCA as a Pharmacy Consultant in 2005 assisting member pharmacies with compounding unique formulations to serve the needs of their patients. She is currently the Director of Academic Affairs, where she coordinates compounding programs and services for pharmacy school students and School of Pharmacy members. She has been a pharmacist for over 20 years and has worked in a variety of practice settings. Her areas of interest include pediatrics and veterinary compounding. Dr. Batra holds a BA in Biology from the University of Texas, a BS in Pharmacy from the University of Houston, and a Doctor of Pharmacy from the University of Florida.

**Jessica Messa, PharmD, RPh**, is the PCCA Institute Academic Affairs Pharmacist. Her compounding knowledge and desire to help patients with unique clinical needs was cultivated during her time as the Non-Sterile Lab Supervising Pharmacist at a PCCA member pharmacy. Her passion was creating high-quality, patient-specific compounded medications. Ensuring that these values were held pharmacy-wide became her mission. Her greatest area of interest within compounding is its impact on patients experiencing fertility issues. Dr. Messa holds a BS in Biology from Texas A&M University and a Doctor of Pharmacy from University of Houston College of Pharmacy.

## HOW IT WORKS

REGISTER at  
[bit.ly/PCCA-Institute](http://bit.ly/PCCA-Institute).

### WATCH YOUR INBOX

Once registered, you'll receive a confirmation email as well as emails with course information.

### GET EXCITED

Come to Houston on the course date ready to learn!

## STUDENT MEMBERSHIP

As a Boot Camp grad, you automatically become a PCCA Student Member until the December following your graduation. This membership gives you access to our quarterly eNewsletter, the *PCCA Institute Insider*, the Job Board connecting you to PCCA member pharmacies in your area, select free teleconferences, and a discounted rate to PCCA's annual International Seminar. If you choose to opt out of this membership, please contact Dr. Batra at [bbatra@pccarx.com](mailto:bbatra@pccarx.com).

## UPCOMING COURSE DATES

Course Dates	December 19-20
Registration Deadline	December 6

**Cancellation Policy:** An email to confirm your attendance is sent to all registered students six weeks prior to the scheduled class date. If you need to withdraw from the course after the six week mark, your course fees will not be refunded, but you may be able to transfer into another scheduled class if space allows. We recommend waiting until you receive this confirmation email before purchasing airline tickets or a hotel room as the email also includes hotel information with special PCCA rates.

**Please Note:** Limited spots are available and classes fill up fast.
